

CAREPA
JANUARY GENERAL MEETING
WEDNESDAY, JANUARY 13, 2010
6:30PM

SPEAKER: Charles "Buck" Stapleton

TOPIC: SAFETY IN THE WORKPLACE (Earthquake)
(What action to take before, during and after)

This evening Buck will discuss several safety issues that you should be concerned about, not only in your home, but in the workplace and when you are out in public. Helpful tips will be provided to help keep you and your loved ones safe.

Resume: Buck Stapleton is a professor of Administration of Justice and is a former Los Angeles Police Officer. He teaches classes on behalf of the County of Los Angeles; he is a certified instructor by the United States Department of Homeland Security and has written numerous articles on the topic of safety in the home, the workplace, and in public.
