

March General Meeting

WEDNESDAY, March 9, 2011

6:30PM ~ 9:00PM

SPEAKER

Michael Kay

Advanced Group Property Inspection

Please, Breath, Relax, Appreciate Everything.

The self proclaimed child prodigy known best for his ability to out-talk the competition is making his presence felt in the real estate world. Unlike the real world, the real estate world thrives on innocent first time buyers looking for an old school part-time realtor wearing a three piece suit and carrying a 5 x 7 pen and paper pocket organizer, Michael Kay is everything that the real estate industry is not; young, motivated and two steps ahead. For only pioneers such as Mr. Kay can get away with speaking of themselves in the third person in their own biography.
