**City of Hope**

City of Hope is recognized worldwide for its compassionate patient care, innovative science and translational research, which rapidly turns laboratory breakthroughs into promising new therapies. City of Hope is one of only 40 National Cancer Institute-designated Comprehensive Cancer Centers nationwide and a founding member of the National Comprehensive Cancer Network. City of Hope pursues new and better ways to improve the lives of men, women and children here and around the world – and have for almost 100 years.
